“Five Star ★ ★ ★ ★ ★ Chapter”

November 2021

President's Message

Hello, y'all. Just got back from the MOAA Annual Board Meeting. Once again, our Alamo Chapter has been recognized as a “5 Star Level of Excellence” chapter. This is our thirteenth in a row! Marvelous and thanks to all. We have talent that represents you. Our members participate in the many chapter and community activities supporting the military community.

Besides being recognized at the awards banquet, the best session was the Chapter Roundtable Discussions. We received an update on the various initiatives in Chapter Relations. These focused on the updates to the website and the various communications venues. We then broke into table discussions on different topics, all related to “how to best MOAA can connect or assist the chapters.”

The folks at my table were asked to discuss the best options for MOAA to use to communicate with the chapters. We discussed email, website, snail mail and all of the social media platforms.

What answer did we come up with? All of the above! It is so important to ensure all avenues of communication are available.

We are blessed in that we do communicate with MOAA regularly. David Patrick and I are regulars in the MOAA Transition Roundtable. I participate in the MOAA Chapter Roundtable. These are two semi-monthly virtual events where reps from chapters throughout the MOAA system gather and chat about current topics. Great brainstorming occurs. Jim Cunningham is on a similar repeating event for legislative concerns.

If you've checked out MOAA's Military Officer magazine, you've seen the latest. Felix Santiago and Juliet Chelkowski are featured in an out-

standing article on recruiting. We've welcomed Juliet, a new member, in as our Lariat Editor. Felix shines as our membership vice president. Great folks to work with!

The Alamo Chapter rocks. Each and every member contributes to the success in his or her own way. I thank them for their efforts and support. Each day brings opportunities. We continually follow the MOAA motto of “Never Stop Serving.” Please continue supporting this marvelous chapter.

Annual Business Meeting

The Chapter's Annual General Business Meeting will be held on Tuesday November 16 at the Chapter Luncheon at the Petroleum Club.

The membership present will vote to elect its officers for the next 2 years as well as approve proposed revisions to the Chapter bylaws. A summary of the proposed amendments can be found on Page 3.

Summary of Proposed Bylaw Amendments

On September 16, 2021, at their quarterly meeting, the MOAA-AC Board of Directors amended the Chapter Bylaws dated November 21, 2019. These amended Bylaws will be presented to the membership for approval at the November 16th Annual Meeting/Luncheon.

Here is a synopsis of the amendments:

- **Article II, Membership, para H:** Establishes “Friends of the Chapter” which allows individuals (who otherwise do not qualify under the three classes of Chapter membership) who support the mission and goals of the Chapter and who are interested in supporting our military community to be part of the Chapter and its activities and events – but without vote and not able to hold office.
Rationale: To expand the reach and visibility of the Chapter in the community.
- **Reformatted some Articles throughout – particularly Article III, Meetings.**
Rationale: So that the paragraphs and verbiage flowed better and did not duplicate other sections in the Bylaws.
- **Article VI, Board of Directors: Officers & Directors, para A. 3:** Changed the term of the officers on the Board of Directors from 1 year to 2 years.
Rationale: Provides more stable continuity on the Board in the fulfillment of their governance responsibilities.
- **Article VI, Board of Directors: Officers & Directors, para E. 7:** Added that all directors complete and submit a conflict-of-interest form annually.
Rationale: To protect the Chapter’s interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Chapter or might result in a possible excess benefit transaction.
- **Article XI, Chapter Funds, para D. 3:** Clarified the disbursement of Chapter funds in the event of the final dissolution of the Chapter.
Rationale: To specifically designate that the funds be disbursed to one or more tax exempt organizations whose purpose objectives are similar to the Chapters.
- **Article XIII, Insurance:** Added that every director, officer or employee of the Chapter be indemnified by the Chapter against all expenses and liabilities.
Rationale: To better protect the Chapter and its assets.

Transitioning Tips

Networking Through Volunteering

One of the biggest challenges that is addressed when I talk to those transitioning is “stepping outside” of the comfort zone and networking. You’ve been able to hide behind your uniform and the identity that it provides. Your current network is built into the microcosm of the military community that is very distinct from the civilian community.

Volunteering in community interests is a very common and very successful way of crossing that bridge. Connecting with a group that has a common interest eases the tension and stress that arises when meeting folks in a new setting. There is automatically a common thread of conversation that will allow you to talk and create new friends.

The Alamo Chapter of MOAA is one such connecting thread. We are a group of active duty, veteran, retiree and spouses who believe in the mission and vision of MOAA and the need to pay-it-forward. How this is done varies by individual interests and opportunities.

There are many opportunities out there for you to follow. We’ve mentioned several in the past issues of the Lariat. I challenge you to explore based upon your interests and, especially your passions. Let us know what you find to do. Is there a way to connect with other Chapter members where we can collectively help?

We look forward to learning about your connections. Best of luck as you pursue these ventures. The rewards are outstanding.

It's Almost Tax Time Again!

Will you give more to the IRS or make a tax deductible donation to MOAA-AC?

Dear Alamo Chapter Members:

Can you believe it is almost income tax time again with the IRS lurking just around the corner?

Like any other volunteer based nonprofit organization it takes resources – people and operating capital -- to accomplish our mission and provide our 1200+ members the programs and services they deserve. We operate on a very lean annual operating budget of approximately \$35,000 and have the reputation for being fiscally responsible under tight cost controls. Membership dues cover less than 30% of our expenses so we must rely on non-dues revenue, i.e., advertising, corporate sponsorships and **individual donations** to help us keep our lights on and the doors open each year!

Additionally, the amount we award in Scholarships in any given year is based on the amount received through our fundraising efforts the previous year. In 2021 we were able to give 23 x \$1,000 to local JROTC and ROTC Cadets. but due to the pandemic our normal fundraisers had to be curtailed and we will be severely underfunded for the 2022 scholarship program.

So . . . I am asking you to please consider making a donation either to our Chapter Operations or to our Scholarship Fund. Why give more to the IRS when you can make a tax deductible contribution to your Alamo Chapter? MOAA-AC Operations is a registered 501(c) 4 Non Profit Veterans Organization, tax ID 90-0591629 and the Alamo Chapter Educational Foundation is a registered 501(c) 3 Non Profit. Tax ID 82-16355222. Any RMD can easily be transferred tax free. Your contributions do make a difference!

Just complete and mail the form below

or

donate on our website at <http://www.alamomoaa.org/donate.cfm>.

Again, thank you for your membership. You continue to be a valued asset to our country, to our military community and to the MOAA organization. Through your financial generosity, we look forward to continuing to provide you “5-star” service in the coming years.

Respectfully,

Kathryn “Kitty” Meyers, LtCol USAF (Ret)
